CALVARY HOSPITAL

New York City

8 WEEKS

June 1st – July 31st, 2026

2 FELLOWS

Rising Senior Nursing Students

\$5,000

Paid Stipend

About the Fellowship

The Flynn Fellowship is dedicated to developing the next generation of specialized nursing through this prestigious fellowship. An immersive, preceptor-based fellowship enhances your nursing skills including palliative care education through observation, hands-on experience, and supervised participation. Work alongside interdisciplinary teams to develop clinical skills, communication techniques, and the compassionate approach essential for palliative nursing.

What You'll Experience

- Acute Hospital Setting
- Unique, caring, compassionate nursing environment
- Interdisciplinary Team Collaboration
- Pain & Symptom Management
- Serious Illness Communication Training
- Physical, Psychosocial, and Spiritual Care
- Family, Caregiver Support Programs
- Evidence-Based Practice Project
